

SVYEMS/Academics/2018-19/011

Date: 02-08-2018

Dear Parents,

We, at SVYEMS, have always given utmost priority and importance to Science and Maths subjects for all grade students. From our school's foundation day itself, we are following the philosophy that "a student who learns and performs better in Science and Maths, has better chances of a bright and stable career." We have worked hard indeed to make the Science and Maths subjects, The Perfect Subject for each and every student, by honouring the same philosophy.

Moving a step forward in the same direction, we happily inform you the maths and science excellence program 'XL-CHAMPS - 2018' for Std. 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> students that's basically *Pre-foundation / foundation course for IIT JEE and NEET, the top most pre Engineering and Pre Medical examinations in India along with the preparation of prestigious examinations like NTSE, HOMI BHABHA Young Scientists, NSTSE, Maths Olympiad, JSO etc.*. This course 'XL-CHAMPS' is being planned, nurtured and executed by Shailesh Namdeo Sir (the renowned academician, career counsellor and one of the topmost IIT-Maths Faculty of India) and his highly competent team. This team, **Shailesh Sir's XL ACADEMY** is training our 11<sup>th</sup> and 12<sup>th</sup> std. students for JEE and NEET along with boards very efficiently from the last one and a half year and the same team has already conducted a similar program as a short term program in last academic session too. It should be noted very clearly that the conventional CBSE board based teaching won't be disturbed or affected at all by 'XL-CHAMPS', in fact, it will help the students to improve the basics of science and maths thereby boosting up their academic performance.

The following are the essential details of 'XL-CHAMPS' :

1. Course Duration: **For Std. 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> : 6 months (From 06.08.2018 to 01.02.2019)**
2. Subjects covered: Maths, Physics, Chemistry, Biology and Logical Reasoning.
3. Class frequency: 40-50 minutes a day, minimum thrice, maximum 5 times a week.

For more details regarding this course, a seminar with Mr. Shailesh Namdeo, the Director, Shailesh Sir's XL ACADEMY and VYEMS Higher Authorities is being organised as per the following schedule. Please do attend the seminar for the best possible career opportunities for your ward. So kindly attend the briefing session.

Date: August 03, 2018 (Friday)

GRADE	REPORTING TIME
X	9:45 AM
IX	11:15 AM
VIII	1:45 PM

Venue: Conference Hall

Thanks and Regards

Principal
