Dear Parents,

This is to inform you that, during Ganpati Vacation Tetanus Toxide (T.T.) vaccination is compulsory for your ward.

This **vaccine** is given to provide protection against **tetanus** (lockjaw) in children above 7 years. Vaccination is the best way to protect against this life-threatening disease. Vaccines work by causing the body to produce its own protection (immunity).

It is compulsory to provide the Certificate of vaccination on or before 26/09/2018.

Regards,

Director
