Dear Parents,

Warm Greetings!!!

New Year marks a new beginning, new adventures to enjoy and new memories to create.

Keeping the same adage in mind we provide an opportunity to our students to explore and make visible what might never have been seen.

This winter vacation students will enjoy their creative work through various activities & items for **Exploration- Science , Art and Craft Exhibition**. This is the time when students can show their hidden talent through their creativity in preparing items for exploration under given categories. Parents can guide wherever required to boost the confidence of the child. Links for various activities will be shared on the Prisms App soon. Students must use the material provided in their art & craft Kit.

Thanking You,

Category :
