

**Dear Children,**

**"Someone in your Online Class is waiting to see a friend,  
Somewhere in your brain, there is a story to be penned,  
Something in this Academic Year is waiting to be known,  
And when you discover it, your mind will be blown!"**

Welcome all of you to the new academic year 2020-21!

It's a new beginning, a fresh, bright year. The opportunity of the Online Classes 2.0 is knocking, invite it in. Get ready to break out the crayons and open new books. Bring in the excitement and have joyous looks. Get ready, get set for the best year yet. You're going to have an amazing school year full of creativity. Keep your Mobile Phones, Tablets and PC ready as your new learning tool.

We are extremely eager to see your cheerful faces from 15 June 2020.

**'Let's Make A Better Tomorrow'.**

Regards,

I/C Principal
